Orders from the Americas, Asia or the Pacific should be addressed to [order@un.org](mailto:order@un.org).

A number of distributors around the world also sell the Court's publications (see the list below, pages 112-116).

*Orders and requests for information regarding sales should not be sent to the Registry of the Court.*

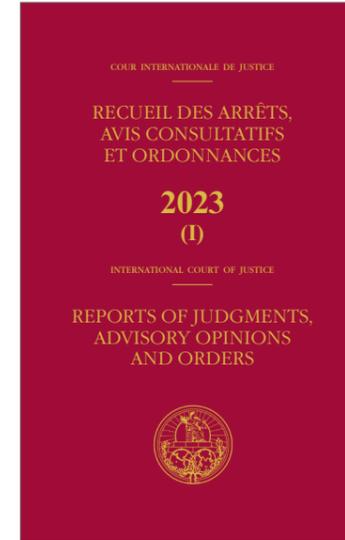

**Acts and Documents concerning the Organization of the Court**

This series consists of the Court’s various basic documents. The eighth edition of this invaluable bilingual (English-French) reference tool, updated in June 2024, includes the Charter of the United Nations, the Statute of the International Court of Justice, the Rules of Court, the Practice Directions, the Resolution concerning the Internal Judicial Practice of the Court and a number of other important texts.

It also includes comprehensive analytic indexes in both official languages of the Court.

**Reports of Judgments, Advisory Opinions and Orders (I.C.J. Reports) Bound Volumes**

This series contains the decisions of the Court in both English and French. Each decision is published shortly after delivery in an unbound fascicle which is sold separately (see page 36). The collected decisions for each calendar year are published with an alphabetical index, and bound together in up to three volumes depending on the total page count. The alphabetical index may also be purchased separately (see page 94).

In order to consult all the decisions relating to a particular case, it will generally be necessary to refer to several volumes of Reports (see the alphabetical index of cases, page 98).

**Pleadings, Oral Arguments, Documents**

Volumes in this series are published after the termination of each case and contain the documentation relating to the case in the language in which it was submitted, namely English or French. This includes the document instituting proceedings, the parties' written pleadings and their annexes, the verbatim records of the oral proceedings, and any documents submitted to the Court after the closure of the written proceedings. Depending on the length of the documents concerned, one or more volumes are issued for each case.

The volumes published up to 31 December 1964 (up to Sales No. 286) are cloth-bound, while subsequent volumes have paper covers.

### Annuaire-Yearbook

Each year a *Yearbook* is published in which an account is given of the work of the Court during the period from 1 August to 31 July of the following year. This publication, previously produced in two editions (one in English (*Yearbook*) and one in French (*Annuaire*)), is now published in a single bilingual edition which provides information on the judicial activities, organization and jurisdiction of the Court, together with the procedure that it follows.

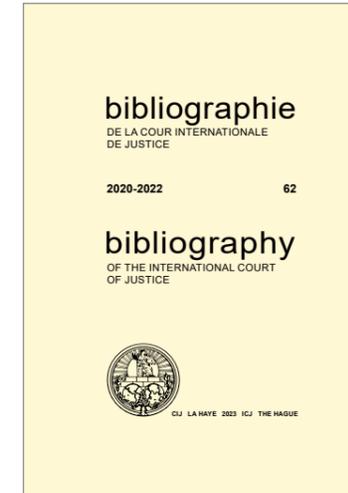

The *Yearbooks* were produced in cloth-bound form until 1963-1964 (Sales Nos. 4, 10, 20, 44, 67, 96, 107, 125, 136, 154, 168, 195, 215, 235, 251, 267, 278 and 288) and since then have been printed with paper covers.

### Bibliography of the International Court of Justice

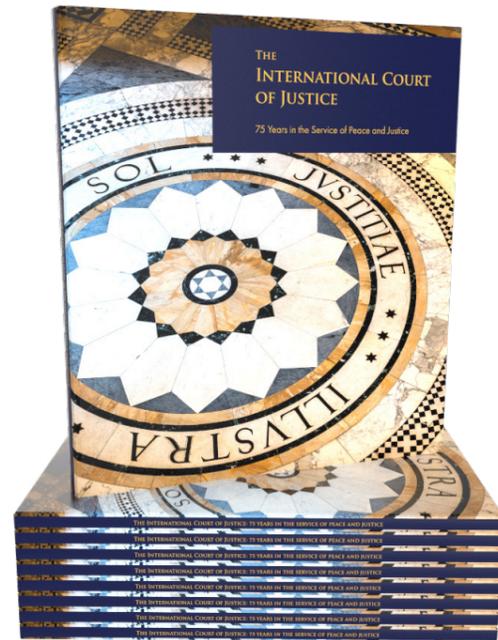

The Registry regularly issues a *Bibliography* listing the works and documents relating to the Court that have come to its attention. *Bibliographies* Nos. 1-18 formed Chapter IX of the relevant *Yearbook* or *Annuaire* up to the 1963-1964 editions. *Bibliographies* Nos. 19-57 were issued annually as separate fascicles from 1964 to 2003.

For practical reasons, the Registry now maintains a record of bibliographical references in a database and publishes them in multi-year volumes. The latest editions of the *Bibliography* consist of the print version of the items listed in the database and are intended to facilitate access to works referencing the Court.

**Commemorative and Special Publications**

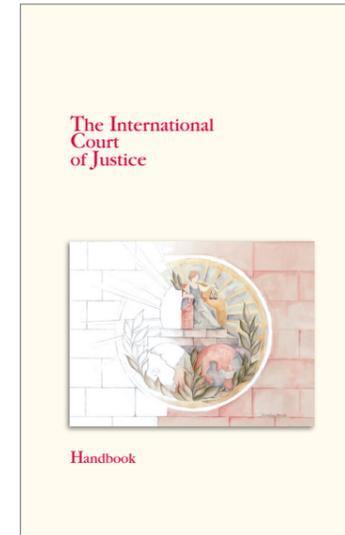

The Registry occasionally produces one-off commemorative publications, such as *The International Court of Justice: 75 Years in the Service of Peace and Justice* published to celebrate the seventy-fifth anniversary of the Court.

**The International Court of Justice: 75 Years in the Service of Peace and Justice**

This publication marks the seventy-fifth anniversary of the inaugural sitting of the ICJ, held on 18 April 1946 at the Peace Palace in The Hague. Produced entirely by the Registry, it is written with the general public in mind and uses clear and accessible language to describe the Court and its activities, with the aim of fostering a better understanding of the ICJ’s role and work, and providing answers to the most frequently asked questions about the Court. Each chapter covers a different facet of the institution, including its human face. Readers will learn about the history of the Court, its judges and its Registry, the parties to proceedings before it, the principles governing its judicial activity, and the contribution made by the Court to certain areas of international law.

An accessible e-book version of this publication for the visually impaired and people with print reading disabilities is currently available from [Amazon](#), [Kobo](#), [Apple](#) and [Google Play](#). It is compatible with JAWS and NVDA screen-reader technologies.

**The International Court of Justice Handbook**

The *International Court of Justice Handbook* aims to provide a simple, comprehensible overview of the history, composition, jurisdiction, procedure and decisions of the Court. It does not enter into excessive detail, nor provide any interpretation of the Court’s decisions, the actual texts of which alone are authoritative.

This *Handbook* was first published in 1976, with six further editions in 1979, 1986, 1996 (on the occasion of the fiftieth anniversary of the Court’s inaugural sitting), 2004, 2014 and 2019.

### Reports of Judgments, Advisory Opinions and Orders (I.C.J. Reports) Fascicles

Each decision in the Reports is published shortly after delivery in an unbound fascicle which is sold separately. The collected decisions for each calendar year are published with an alphabetical index, and bound together in up to three volumes depending on the total page count. The alphabetical index may also be purchased separately (see page 94).

In order to consult all the decisions relating to a particular case, it will generally be necessary to refer to several volumes of Reports (see the alphabetical index of cases, page 98).
