PRÉFACE

La présente publication contient les données bibliographiques relatives aux parutions faisant référence à la Cour internationale de Justice publiées de 2023 à 2025 et parvenues au Greffe. Elle fait suite aux éditions couvrant les années 2004 à 2022 (n^{os} 58-62). De 1946 à 2003, la *Bibliographie* a paru annuellement sous la forme d'une publication officielle (n^{os} 1-57), les numéros annuels étant périodiquement regroupés dans des recueils.

Pour des raisons pratiques, le Greffe tient à présent la liste officielle des références bibliographiques dans une base de données. La présente publication est une version imprimée des entrées qui s'y trouvent ; elle reprend la présentation du dernier numéro de la série officielle et vise à faciliter l'accès aux documents faisant référence à la Cour.

La *Bibliographie*, préparée par la bibliothèque privée de la Cour, qui est un service du Greffe, n'engage la Cour en aucune façon. La présente édition n'a fait l'objet d'aucune révision formelle. Les lecteurs sont priés de bien vouloir porter toute publication pertinente qui n'y figure pas à la connaissance de *M. le Greffier de la Cour internationale de Justice, Palais de la Paix, 2517 KJ La Haye, Pays-Bas*. PREFACE

This work contains bibliographical references concerning the International Court of Justice received by the Registry of the Court and published during the years 2023 to 2025. It follows editions covering the years 2004 to 2022 (Nos. 58-62). From 1946 to 2003, the *Bibliography* was prepared as an official publication on an annual basis (Nos. 1-57), with the annual issues periodically collected in cumulative volumes.

For practical reasons, the Registry now maintains the official record of bibliographical references in a database. This work is a printed version of records found in that database, following the style of the last number in the official series and prepared in order to facilitate greater access to works referencing the Court.

The *Bibliography*, which is prepared by the Court's private library (a division of the Registry), in no way involves the responsibility of the Court. This edition has not been formally edited. Readers are requested kindly to draw any relevant publications which have not been included to the attention of *The Registrar, International Court of Justice, Peace Palace, 2517 KJ The Hague, Netherlands*. La *Bibliographie de la Cour internationale de Justice* est établie régulièrement depuis la création de la Cour en 1945. Ce soixante-troisième volume de la série porte sur les publications parues de 2023 à 2025. La bibliothèque de la Cour prépare la *Bibliographie* en dressant la liste des titres qui concernent la Cour ou sa jurisprudence, ou qui contiennent de nombreuses citations de ses arrêts, avis consultatifs et ordonnances. Par leur nombre et leur qualité, les publications figurant dans la bibliographie attestent de la portée intellectuelle considérable des travaux de l'organe judiciaire principal de l'Organisation des Nations Unies.

The *Bibliography of the International Court of Justice* has been issued on a regular basis since the Court's establishment in 1945. This sixty-third volume in the series covers works published from 2023 to 2025. The Court's Library prepares the *Bibliography*, compiling titles that relate to the Court or its case law or that contain numerous citations to its judgments, advisory opinions and orders. The quantity and quality of the works included attest to the far-reaching intellectual impact of the work of the principal judicial organ of the United Nations.
