**28. THE DEPUTY-REGISTRAR TO THE AGENT OF THE GOVERNMENT OF THE UNITED STATES OF AMERICA**

28 January 1958.

Sir,

I have the honour to inform you that on 22 January 1958 I received from the Agent of the Bulgarian Government in the cases concerning the Aerial Incident of 27 July 1955 a note dated 18 January 1958, by which he informed me *inter alia* that he considered that, in accordance with the provisions of Article 37 and in connection with Article 62 of the Rules of Court, the Court ought to fix at least the same time-limit for the filing of the Bulgarian pleading as was fixed for the filing of the Memorial.

I have the further honour to inform you that having thus ascertained the views of the Respondent with regard to the time-limit for the filing of the Counter-Memorial, the Vice-President, Acting President in the case between the United States of America and Bulgaria, has by an

Sir,

With reference to my letter No. 26987 of 28 January 1958, I have the honour to send you herewith the official copy for your Government of the Order of 27 January 1958 by which the Vice-President, Acting President, has fixed 9 December 1958 as the time-limit for the filing of the Counter-Memorial of the Government of the People's Republic of Bulgaria in the case concerning the Aerial Incident of 27 July 1955 (U.S.A. v. Bulgaria).

**30. THE AGENT OF THE GOVERNMENT OF THE UNITED STATES OF AMERICA TO THE REGISTRAR**

2 May 1958.

Sir,

The undersigned Agent of the Government of the United States of America has the honour to refer to the proceedings pending in the Court instituted by the United States Government by application filed 28 October 1957 against the Government of Bulgaria on account of the destruction on 27 July 1955, by Bulgarian fighter aircraft, of an El Al Israel Airlines aircraft, killing, among others, nine American nationals and destroying their property. On 26 November 1957 the Court fixed 2 June 1958 as the time-limit for the filing of a Memorial by the United States Government.

The United States Government has been diligently engaged in the preparation of a Memorial complying with the high standards of international legal practice and the Statutes and Rules of this Court. It must state, however, that facts and documents which may seriously affect the final formulation of the Memorial are still coming in and are being studied by appropriate officers and experts of the United States Government, and many more are expected. The Court's attention is respectfully called to the serious difficulties which are inherent in obtaining evidence suitable for the proof of the issues in this case; for the place where the incident occurred is not available for investigation by United States Government representatives, and the Bulgarian Government has made

<sup>1</sup> See *I.C.J. Reports 1958*, pp. 10-11.

<sup>2</sup> A similar communication was addressed to the Agent of the Government of Bulgaria.

no effort to assist any of the Governments, or the persons, who suffered from the disaster which underlies this case, in the finding of evidence. These factors make the preparation of a suitable Memorial especially difficult.

The United States Government must, reluctantly, inform the Court that the date of 2 June 1958 is too early to enable the United States Government to make an adequate study and review of the incoming evidentiary material and to formulate an appropriate Memorial to this Court. It is estimated that at least three months additional time is required for this purpose; and it is not unlikely that the United States Government may even be compelled by circumstances beyond its control to request a further extension of three months thereafter.

Accordingly, the United States Government respectfully requests that this Court, under the authority of Article 48 of the Statute and Articles 37 (4) and 38 of the Rules of the Court, extend the time-limit for the filing of the Memorial by the United States Government to September 2, 1958. Of course the United States Government will concede to the respondent Bulgarian Government an extension of time-limit sufficient to file a Counter-Memorial.

The undersigned has consulted the Agents for the Governments of the United Kingdom and Israel, which also have pending in this Court proceedings against Bulgaria on account of the same actions committed by the Bulgarian Government on 27 July 1955. If it is relevant to the consideration of the Court, the Government of Israel has expressed no objections to the presentation of this Application and has authorized the United States Government to state to the Court that the Government of Israel places itself in the hands of the President of the Court or the entire Court in this matter. The United States Government has been informed by the Government of the United Kingdom that it has no objections to the presentation of this Application and that the Government of the United Kingdom is preparing to apply to this Court for a similar extension of time to file its Memorial.

Very truly yours,

(Signed) Loftus E. BECKER.

Sir,

I have the honor to refer to the case of the United States of America against Bulgaria arising out of the aerial incident of July 27, 1955, now pending before the Court. Very truly yours,

42. THE AGENT OF THE GOVERNMENT OF THE UNITED STATES OF AMERICA  
TO THE REGISTRAR

21 July 1958.

Sir,

The undersigned Agent of the Government of the United States of America has the honor to refer again to the proceedings pending in this Court instituted by the United States Government by an Application filed October 28, 1957, against the Government of Bulgaria. On May 19, 1958, the Court, upon the request of the United States Government, under the authority of Article 38 of the Statute and Articles 37 (4) and 38 of the Rules of the Court, extended the time-limit for filing of the Memorial of the United States Government to September 2, 1958.

In the United States Government's request for the extension of time, it will be recalled, the United States Government stated: "It is estimated that at least three months additional time is required ... and it is not unlikely that the United States Government may even be compelled by circumstances beyond its control to request a future extension of three months thereafter."

The United States Government is compelled to inform the Court that despite strenuous efforts to complete the Memorial it appears clear that by force of circumstances beyond its control, it will not be possible to do so by September 2, 1958. Important evidentiary material has not been received, and the review of experts has not been completed. However, the United States Government feels confident that such evidence will have been received and reviewed, and the necessary printing and the other necessary work in connection with the preparation and filing of the Memorial will be completed before December 2, 1958.

Accordingly, the United States Government respectfully requests that this Court, under the authority of Article 48 of the Statute and Articles 37 (4) and 38 of the Rules of the Court further extend the time-limit for the filing of the Memorial by the United States Government to December 2, 1958.

Very truly yours,

*(Signed)* Loftus E. BECKER.

Sir,

I have the honour to refer to my letter of 31 July 1958, in which I informed you that a copy of your letter of 21 July, requesting an extension of the time-limit fixed for the filing of the Memorial of the Government of the United States of America in the proceedings instituted against the Government of the People's Republic of Bulgaria, had been transmitted to the Agent of the Respondent Government for his observations upon your request.

No reply to this communication having as yet been received from the Agent for the Government of the People's Republic of Bulgaria, the President has decided to grant the request contained in your letter of 21 July 1958, and by an Order<sup>3</sup> of today's date has fixed the following time-limit in this case:

for the Memorial of the Government of the United States of America: 2 December 1958;

for the Counter-Memorial of the Government of the People's Republic of Bulgaria: 9 June 1959;

the subsequent procedure remaining reserved for further decision.

I shall in due course send you the official copy for the Government of the United States of America of the above-mentioned Order.

I have, etc.

<sup>1</sup> The Parties having been consulted and having made no objection, it was decided that the relevant pleadings would be sent to the Government of Israel.

Sir,

With reference to my letter No. 28048 of 12 August 1958, I have the honour to send you herewith, for your Government, the official copy of the Order of 12 August 1958, by which the President of the Court has extended to 2 December 1958 the time-limit for the filing of the Memorial of the Government of the United States of America in the case concerning the Aerial Incident of 27 July 1955.

**47. L'AGENT DU GOUVERNEMENT BULGARE AU GREFFIER  
(télégramme)**

25 août 1958.

Ai reçu votre lettre n° 27975 du 31 juillet 1958 ai l'honneur de communiquer que je n'ai pas d'objections contre la demande Gouvernement USA de prolonger jusqu'au 2 décembre le délai pour présentation des mémoires sur affaire relative avion israélien Stop Sans doute le susdit prolongement amènerait prolongement correspondant de notre délai Stop MÉVORAH.

**48. L'AGENT DU GOUVERNEMENT BULGARE AU GREFFIER**

2 septembre 1958.

Monsieur le Greffier,

Le 16 août a. c. j'ai reçu votre lettre du 31 juillet a. c. avec laquelle vous m'avez envoyé la lettre de l'agent des États-Unis d'Amérique du 21 juillet a. c. demandant la prolongation du délai pour la présentation des mémoires dans l'affaire concernant l'avion israélien jusqu'au 2 décembre a. c.

Le 22 août a. c., j'ai communiqué par télégramme à l'honorale Cour que mon Gouvernement ne s'opposait pas à la prolongation dudit délai et que notre délai pour la présentation des contre-mémoires devait être respectivement prolongé. Le même jour, après avoir envoyé le télégramme, j'ai reçu votre lettre n° 28.048 du 12 août a. c. par laquelle vous m'avez communiqué que par ordonnance de Monsieur le Président de la Cour, le délai pour la présentation des mémoires des USA avait été prolongé jusqu'au 2 décembre 1958, tandis que notre délai restait le même — le 9 juin 1959. J'ai reçu ensuite l'ordonnance elle-même à ce sujet. Il est évident, en l'occurrence, qu'en émettant son ordonnance, Monsieur le Président de la Cour n'a pas pris en considération mon télégramme et plus spécialement notre demande d'une prolongation respective de notre délai aussi.

Indépendamment de ce fait, conformément à la pratique de la Cour jusqu'à ce moment, dans des cas pareils chaque fois lors de la prolon-

<sup>1</sup> A similar communication was addressed to the Agent of the Government of Bulgaria.

gation du délai de la partie adverse notre délai aussi a été prolongé. Il y a deux cas pareils, et notamment lors de l'ordonnance du 19 mai a. c. concernant la prolongation du délai des USA jusqu'au 2 septembre et lors de l'ordonnance de la même date concernant la prolongation du délai du Royaume-Uni jusqu'au 2 septembre également. Dans les deux cas, notre délai fut respectivement prolongé du 9 décembre 1958 au 9 juin 1959.

C'est pourquoi je m'adresse à l'honorable Cour avec la prière de bien vouloir prolonger, dans le cas ci-dessus indiqué aussi, le délai respectif pour la présentation des contre-mémoires de la part du Gouvernement de la République populaire de Bulgarie.

Veuillez agréer, etc.

**49. THE FIRST SECRETARY, ACTING REGISTRAR, TO THE AGENT OF THE GOVERNMENT OF THE UNITED STATES OF AMERICA**

9 September 1958.

Sir,

I have the honour to send you herewith a certified true copy of a letter dated 2 September 1958, by which the Agent for the Court of the People's Republic of Bulgaria in the case concerning the Aerial Incident of 27 July 1955 (U.S.A. v. Bulgaria) has requested an extension of the time-limit fixed for the filing of its Counter-Memorial in that case.

I shall be grateful if you will be good enough to communicate to us as soon as possible the view of your Government on the request of the Bulgarian Government.

I have, etc.

**50. THE AGENT OF THE GOVERNMENT OF THE UNITED STATES OF AMERICA  
TO THE REGISTRAR**

29 September 1958.

Sir,

I have received your communication of September 9, 1958, numbered 28241, with which you enclosed a certified copy of a communication from the Agent of the Bulgarian Government dated September 2, 1958.

It has been noted that in the Order of the Court, communicated by the Registrar on August 12, 1958, extending the time-limits for the filing of the Memorial of the Government of the United States to December 2, 1958, as requested by this Government, it was also stated that the Registrar had received no reply from the Agent of the Bulgarian Government respecting the United States Government's request. It appears now that a telegram was sent to the Registrar by the Bulgarian Agent on August 22, 1958, interposing no objection to the extension of time-limits for this Government's Memorial, but apparently asking for an extension of time-limits for the Counter-Memorial, giving no stated date. Attention is called to Article 38 of the Rules of Court

which provides that definite dates must be fixed in assigning time-limits.

The United States Government will interpose no objection to the setting of September 2, 1959, as the time-limit for the filing of a Counter-Memorial by the Government of Bulgaria in this matter.

Very truly yours,

(Signed) Loftus E. BECKER.

I have the further honour to inform you that by an Order<sup>2</sup> of 8 October 1958 the Court has decided to extend to 9 September 1959 the time-limit for the filing of the Counter-Memorial of the Government of the People's Republic of Bulgaria.

9 mars 1959.

Monsieur le Greffier,

En réponse à vos lettres nos 28761 du 2 décembre 1958 et 29128 du 7 février 1959, j'ai l'honneur de vous communiquer que le Gouvernement bulgare n'a aucune objection en ce qui concerne les errata, même celui de la page 37, volume I du mémoire des États-Unis d'Amérique.

Konov ou surtout l'annexe 64 A.

Le Gouvernement bulgare se réserve le droit de se prononcer sur le mémoire des États-Unis d'Amérique dans le délai prévu.

**72. THE AGENT FOR THE GOVERNMENT OF THE UNITED STATES OF AMERICA  
TO THE REGISTRAR**

30 September 1959.

Sir,

I have, as the Court has been informed, recently been designated Agent of the United States of America in the case of the Aerial Incident

of 27 July 1955 (United States of America *v.* Bulgaria). I have received notice from the Court that the Bulgarian Government has filed preliminary objections to the jurisdiction of the Court. Because of circumstances beyond my control the objections did not arrive here until September 28, 1959.

In these circumstances, and above all because I have just recently assumed the duties of Legal Adviser of the Department of State, much more time will be required for a study of the problems involved in the presentation to the Court of observations on the preliminary objections by the Bulgarian Government. I must, therefore, respectfully request the Court, on behalf of the United States Government, for an extension of the time-limit from November 9, 1959, to February 9, 1960.

Very truly yours,

(Signed) Eric H. HAGER.

**81. THE AGENT OF THE GOVERNMENT OF THE UNITED STATES OF AMERICA TO THE REGISTRAR**

13 May 1960.

Sir,

I refer to the case concerning the Aerial Incident of 27 July 1955 (United States v. Bulgaria), General List No. 36, the proceedings in which were instituted by the filing in the Registry of the International Court of Justice on October 28, 1957, of an Application by the Govern-

ment of the United States of America against the People's Republic of Bulgaria. Pursuant to Orders of the Court, the Memorial of the Government of the United States was filed on December 2, 1958. Subsequently, the Government of Bulgaria filed a Statement of Preliminary Objections to the jurisdiction of the Court in this case, and the Government of the United States thereafter filed Written Observations and Submissions in response to such preliminary objections.

In accordance with Article 69 of the Rules of Court, I ask that you advise the Court that the Government of the United States requests the discontinuance of the proceedings and the removal of the case from the Court's List.

This request is made as a result of further consideration of questions of jurisdiction raised by the foregoing Statement of Preliminary Objections and the Written Observations filed in response thereto. In that part of the Written Observations which relates to the second preliminary objection of Bulgaria, a contention was advanced on behalf of the United States with respect to reservation (b) attached to the acceptance by the United States of the jurisdiction of the Court. That contention was to the effect that reservation (b) did not authorize or empower Bulgaria to make an arbitrary determination that a particular matter was essentially within its domestic jurisdiction. The necessary premise of the argument was that the Court must have jurisdiction for the limited purpose of deciding whether a determination under reservation (b) is arbitrary and without foundation. On the basis of further study and consideration of the history and background of reservation (b) and the position heretofore taken by the United States with respect to reservation (b) in litigation before the Court, it has been concluded that the premise of the argument is not valid and that the argument must therefore be withdrawn. As it was declared by the United States to this Court in the Interhandel Case (*Switzerland v. United States*), when the United States has made a determination under reservation (b) that a particular matter is essentially within its domestic jurisdiction, that determination is not subject to review or approval by any tribunal, and it operates to remove definitively from the jurisdiction of the Court the matter which it determines. A determination under reservation (b) that a matter is essentially domestic constitutes an absolute bar to jurisdiction irrespective of the propriety or arbitrariness of the determination. Although the United States has adhered to the policy of not making any arbitrary determination under reservation (b), the pursuit of that policy does not affect the legal scope of the reservation. Under the rule of reciprocity applied by the Court in the case concerning Certain Norwegian Loans (*France v. Norway*), Bulgaria is accorded the same rights and powers with respect to reservation (b) as the United States. Accordingly, the Government of the United States withdraws that part of its Written Observations and Submissions which relates to the second preliminary objection of Bulgaria.

Very truly yours,

(Signed) Eric H. HAGER.
