26. THE SECRETARY OF STATE OF LIBERIA TO THE REGISTRAR

23 November 1959.

Mr. Registrar,

I have the honour to acknowledge the receipt of your letter of August 5, 1959, enquiring whether the Government of Liberia intends to submit a Written Statement to the International Court of Justice in connection with the proceedings relating to the request of the Inter-Governmental Maritime Consultative Organization for an Advisory Opinion. In reply, I wish to state that it is the intention of the Government of Liberia to file such a Statement.

¹ Voir p. 24.

As it appears from the documents which have been forwarded to the Court by the Secretariat of the Inter-Governmental Maritime Consultative Organization, it was the Government of Liberia which took the initiative in the Inter-Governmental Maritime Consultative Organization Assembly in seeking the present Advisory Opinion. Moreover, my Government is directly concerned in the outcome of the proceedings since Liberia is one of the two States excluded from the Maritime Safety Committee by reason of what the Government of Liberia deems to be the unlawful action of a bare majority of the Assembly.

It will thus be apparent that the Government of Liberia has a special interest in the present proceedings. Although it will endeavour in the written statement to be filed with the Court prior to December 5, 1959, to fully present its case, it cannot, of course, be expected to anticipate the arguments which may be advanced by States adopting an adverse view.

In these circumstances, I wish to enquire whether the States entitled to make statements to the Court in the present proceedings will be given an opportunity, if they so desire, to file written comments upon the written statements which are due to be submitted by December 5, 1959. A procedure of this character would appear to be permitted under Article 66, paragraph 4, and Article 68 of the Statute of the Court. Further, the Government of Liberia cannot indicate whether it would wish to file written comments upon the written statements until it has had an opportunity of examining those written statements. It would be appreciated if the Court, in determining what Order it may wish to make as to the future course of proceedings, should be acquainted with the possibility that the Government of Liberia may wish to submit written comments as an intermediate stage between the initial written statements and the oral proceedings.

An additional factor which has some bearing on this matter is the possibility that some Members of the Inter-Governmental Maritime Consultative Organization may themselves have comments to make upon the written statement of the Government of Liberia. It is clear that my Government might be placed at some disadvantage as, indeed, would any other State in similar circumstances, if, during the oral proceedings, it were obliged to meet arguments with which it had not previously been presented.

With sentiments of esteem,

(Signed) M. DUKULY.

27. THE SECRETARY OF STATE OF LIBERIA TO THE REGISTRAR

23 November 1959.

Mr. Registrar,

With reference to the proceedings at present pending before the Court in connection with the request by the Inter-Governmental Maritime Consultative Organization for an Advisory Opinion, I have the honour to request that all further communications, correspondence, etc., including copies of the Written Statements filed with the Court, connected with these proceedings be addressed to His Excellency George T. Brewer,

the Ambassador of the Republic of Liberia to the Court of St. James, whose address is 21, Princes Gate, London S.W. 7.

Ambassador Brewer has the authority to sign communications addressed to the Court on behalf of the Government of Liberia connected with these proceedings.

With sentiments of esteem.

I now have the honour to transmit to you herewith twenty-five lithographed copies of the Written Statement¹ of the Government of Liberia with the request that it be submitted to the Court in pursuance of the terms of the Order of the Court of August 5, 1959.

With sentiments of esteem.

In accordance with Article 66, paragraph 4, I request, on behalf of my Government, the opportunity to comment on statements made by other States or organizations in this advisory case.

¹ See p. 33.

² See p. 114.

Since consideration is also being given to the possibility of presenting an oral statement for the United States in this matter, I should appreciate being advised as soon as possible when a date has been fixed for the beginning of the hearings in this advisory case.

I am sending you under separate cover five copies of a printed volume containing, on the one hand, the list of documents, preceded by the introduction, which you have transmitted to the Court in accordance with Article 65, paragraph 2, of the Statute, and, on the other hand, the statements and communications of the aforementioned States.

I have the further honour to inform you that, for the purpose of hearing the oral statements that may be presented in this case, the Court will hold sittings as soon as possible after 17 April 1960. The exact date and hour at which these sittings will begin will be communicated to you later.

Yours, etc.

40. LE GREFFIER ADJOINT AU MINISTRE DES AFFAIRES ÉTRANGÈRES
D'ARGENTINE¹

28 décembre 1959.

Monsieur le Ministre,

A la date du 9 avril 1959, j'ai transmis à Votre Excellence la copie de la résolution par laquelle l'Assemblée de l'Organisation intergouvernementale consultative de la Navigation maritime a demandé à la Cour internationale de Justice un avis consultatif sur la question de la composition du Comité de la Sécurité maritime. Et, le 5 août 1959, je vous ai fait connaître que, par application de l'article 66, paragraphe 2, du Statut, les États membres de cette Organisation avaient été jugés susceptibles de fournir des renseignements sur ladite question et que la date d'expiration du délai dans lequel la Cour était disposée à recevoir d'eux des exposés écrits avait été fixée au 5 décembre 1959.

J'ai aujourd'hui l'honneur de porter à votre connaissance que des exposés écrits ou des déclarations ont été présentés par les Gouvernements des États dont les noms suivent: Belgique, France, Libéria, États-Unis d'Amérique, Chine, Panama, Suisse, Italie, Danemark, Royaume-Uni de Grande-Bretagne et d'Irlande du Nord, Norvège, Pays-Bas et Inde. Je vous fais envoyer sous pli séparé un volume imprimé où se trouvent reproduits d'une part le bordereau des documents que le Secrétaire général de l'Organisation intergouvernementale consultative de la Navigation maritime a transmis à la Cour aux termes de l'article 65, paragraphe 2, du Statut, bordereau précédé d'une introduction, et d'autre part les exposés ou déclarations des États précités.

Me référant à l'article 66, paragraphe 4, du Statut, j'ai également l'honneur de vous faire connaître que la Cour tiendra, aussitôt que possible après le 17 avril 1960 (jour de Pâques), des audiences pour entendre les exposés oraux qui pourraient lui être présentés en cette affaire. Les date et heure précises auxquelles ces audiences commenceront vous seront communiquées ultérieurement.

¹ La même communication a été adressée à tous les États Membres de l'Organisation intergouvernementale consultative de la Navigation maritime (voir la liste sous le n° 14).

Au cas où il entrerait dans les intentions de votre Gouvernement de prendre part à la procédure orale, je vous serais obligé de bien vouloir m'en informer le plus tôt possible et au plus tard le 15 février 1960. J'attacherais en outre du prix à connaître en même temps le nom de la personne que votre Gouvernement désignerait comme son représentant et à savoir en quelle langue l'exposé sera présenté. Je me permets à cet égard de rappeler à Votre Excellence que les langues officielles de la Cour sont le français et l'anglais, la Cour pouvant toutefois autoriser l'emploi d'autres langues à la condition que le représentant intéressé prenne toutes ses dispositions pour assurer la traduction en l'une ou l'autre des langues officielles (Statut, art. 39, par. 3; Règlement, art. 58, par. 2).

Veuillez agréer, etc.

47. THE SECRETARY OF STATE OF LIBERIA TO THE REGISTRAR (*telegram*)

11 February 1960.

Re your letter December 28 addressed to Ambassador George Brewer my Government has sent under registered cover on February 10 its reply advising that it will participate in the oral hearings on the con-

stitution of the Maritime Safety Committee of IMCO *Stop* Honourable Rocheforte L. Weeks will speak for my Government in English *Stop* Some other points are raised in the letter which should reach you shortly.

Rudolph GRIMES SecState of Liberia.

48. THE SECRETARY OF STATE OF LIBERIA TO THE DEPUTY-REGISTRAR

10 February 1960.

Sir,

I have the honour to refer to your letter No. 30794 of December 28, 1959, addressed to His Excellency George T. Brewer, Ambassador of the Republic of Liberia to the Court of St. James, and to acknowledge the receipt of the printed volume to which you refer containing the Written Statements.

In reply to your enquiry, I wish to state that it is the desire of my Government to participate in the oral proceedings. The representative of my Government will be the Honourable Rocheforte L. Weeks, former Assistant Attorney General of Liberia and now President of the University of Liberia. He will address the Court in English.

I take the present opportunity to refer to one other matter in connection with the oral proceedings. You will recall that in its letter of November 23, 1959, my Government enquired whether it would be given an opportunity to file written comments upon the Written Statements which were due to be delivered on December 5, 1959. Your reply of December 1 indicated that the only opportunity for comment upon the Written Statements would be that of oral comment at hearings to be held at a date which was yet to be fixed.

In the light of your reply, my Government now feels some concern about the course of the oral proceedings. Study of the Written Statements has only served to confirm my Government's original impression that issues directly affecting my Government's rights are likely to be more fully clarified if my Government is given an opportunity to comment not only upon Written Statements made by other Governments but also upon the observations which such Governments might make upon the Written Statement of my Government.

At the same time, my Government has observed that it appears to be normal practice in oral proceedings for States to address the Court once only. Moreover, as the correspondence relating to the Advisory Opinion on the *Competence of the General Assembly* suggests, there is some feeling that the State upon whose initiative the request for an Advisory Opinion was made should address the Court first.

If this course were pursued in the present instance, the Government of Liberia would, in the normal way, have no opportunity of commenting upon those parts of subsequent Oral Statements of other Governments which might relate to issues not dealt with in the Written Statements of those Governments and on which, therefore, they would thus be publicly expressing their views for the first time.

In these circumstances, the Government of Liberia desires to enquire whether the Court would allow the Government of Liberia both to open the oral proceedings and to exercise a right of reply, though restricting

its statement on the second occasion to such fresh material as may have been introduced in the course of the intervening Oral Statements. I need hardly add that the representative of my Government would exercise with restraint any opportunity of reply which he might be given.

If the Court feels unable to accede to this request, and decides that my Government should be allowed to speak once only, my Government would ask in that case to be permitted to speak last. It would thus be able to deal comprehensively with all points, including those on which adverse views might for the first time have been expressed in the preceding Oral Statements.

(Signed) J. Rudolph GRIMES.

**49. THE AMBASSADOR OF THE UNITED STATES OF AMERICA TO THE
NETHERLANDS TO THE DEPUTY-REGISTRAR**

Sir,

I have the honor to refer to your Circular Note No. 30794 dated December 28, 1959, concerning the oral proceedings relating to the advisory opinion requested of the International Court of Justice by the Assembly of the Inter-Governmental Maritime Consultative Organization on the Constitution of the Maritime Safety Committee.

Note is made that the Court will hold sittings to hear oral statements as soon as possible after April 17, 1960 (Easter Sunday), and that you would like to be informed as soon as possible and, in any event, by February 15, 1960, of the intentions of governments to participate.

The Government of the United States desires to submit an oral statement at the public sittings. The Legal Adviser of the Department of State, Mr. Eric H. Hager, has been designated to make this oral statement. It will be made in English.

It is noted that the date to be fixed for the opening of hearings will be the subject of a further communication from you.

With renewed assurances, etc.

51. THE MINISTER OF FOREIGN AFFAIRS OF THE NETHERLANDS TO THE REGISTRAR

15 February 1960.

Sir,

With reference to your communication 30794 of December 28th, 1959, regarding the advisory opinion requested from the International Court of Justice on the constitution of the Maritime Safety Committee, I have the honour to inform you that the Government of the Netherlands intends to take part in the oral procedure before the Court, and has designated Mr. W. Riphagen, legal adviser of the Ministry of Foreign Affairs, to represent the Government. Mr. Riphagen will present his statement in the English language.

52. LE MINISTRE DES AFFAIRES ÉTRANGÈRES DE LA RÉPUBLIQUE FRANÇAISE AU GREFFIER

11 février 1960.

Monsieur le Greffier,

Vous avez bien voulu me faire savoir, par lettre 30794 du 28 décembre 1959, que la Cour tiendrait après le 17 avril 1960 des audiences dans la procédure orale de l'avis consultatif sur la question de la composition du Comité de la Sécurité maritime de l'Organisation intergouvernementale consultative de la Navigation maritime et vous me demandiez de vous faire savoir s'il entrail dans les intentions du Gouvernement de la République française de prendre part au débat oral.

Le Gouvernement de la République française estime devoir tenir compte de la nature particulière de la procédure de l'avis consultatif où les États ne peuvent qu'éclairer la Cour sur les aspects juridiques objectifs du problème, sans prendre, comme au contentieux, une attitude de défense d'intérêts subjectifs. En raison de la situation de la France dans la présente affaire, le Gouvernement de la République française pense qu'il peut s'en tenir à son exposé écrit. Ce sentiment est fortifié par la lecture d'autres exposés écrits, tels que ceux du Royaume-Uni de Grande-Bretagne et d'Irlande du Nord, de la Confédération helvétique, de la République italienne, du Royaume de Norvège et du Royaume des Pays-Bas, qui confirment le Gouvernement de la République française dans la position qu'il a prise, tant en ce qui concerne les éléments qui commandent la solution de la question posée à la Cour que la validité de la procédure qui a été en fait suivie pour l'élection au Comité de la Sécurité maritime.

Dans ces conditions, un exposé oral du Gouvernement de la République française ne paraît pas indispensable.

Veuillez agréer,

53. THE DEPUTY-REGISTRAR TO THE SECRETARY OF STATE OF LIBERIA

18 February 1960.

Sir,

I have the honour to acknowledge receipt of Your Excellency's letter of 10 February 1960 concerning the advisory opinion requested from the Court on the constitution of the Maritime Safety Committee.

In answer to your queries, I am instructed by the President of the Court to inform you that the Court has not yet determined the order in which the Representatives of the Governments will present their oral statements. But, whatever be this order, the Representative of Liberia will be given an opportunity to address the Court a second time if he so desires. The same would naturally apply to all other Representatives.

As soon as a decision is taken by the Court, the Representatives of the Governments will be informed.

I should add that a copy of Your Excellency's letter will be brought to the attention of the Members of the Court before any decision is taken.

I have, etc.

54. L'AMBASSADE DE BELGIQUE AUX PAYS-BAS AU GREFFIER ADJOINT

19 février 1960.

Monsieur le Greffier,

Me référant à votre lettre du 28 décembre 1959, n° 30794, j'ai l'honneur de vous faire savoir que le Gouvernement belge m'a prié de vous informer qu'il ne comptait pas prendre part à la procédure orale relative à l'avis consultatif demandé à la Cour au sujet de la composition du Comité de la Sécurité maritime au sein de l'IMCO.

Cette abstention est due au fait que les grands pays maritimes faisant connaître individuellement leur argumentation qui concorde avec le point de vue du Gouvernement belge, celui-ci n'envisage pas le dépôt d'un mémorandum précisant son attitude en la matière.

Je vous prie d'agréer, etc.

55. L'AMBASSADEUR DE NORVÈGE AUX PAYS-BAS AU GREFFIER ADJOINT

23 février 1960.

Le nom du représentant norvégien vous sera communiqué à une date ultérieure.

Veuillez agréer, etc.

56. LE GREFFIER ADJOINT A L'AMBASSADEUR D'ITALIE AUX PAYS-BAS¹

18 mars 1960.

Monsieur l'Ambassadeur,

Me référant à la lettre du 3 février 1960 par laquelle Votre Excellence a bien voulu me faire connaître, en réponse à ma communication du 28 décembre 1959, que le Gouvernement italien avait l'intention de prendre part à la procédure orale en l'affaire de la composition du Comité de la Sécurité maritime (demande d'avis consultatif), je suis chargé et j'ai l'honneur de porter à votre connaissance que les audiences en cette affaire s'ouvriront le mardi 26 avril 1960 à 10 h. 30. La parole sera donnée dans l'ordre ci-après aux représentants des États ayant demandé à être entendus: d'abord les représentants des États qui contestent la validité de l'élection du 13 janvier 1959, à savoir le Libéria, le Panama et les États-Unis d'Amérique; ensuite les représentants des États qui ne contestent pas la validité de cette élection, à savoir l'Italie, les Pays-Bas et le Royaume-Uni.

J'ajoute que le volume communiqué le 28 décembre 1959 aux États jugés susceptibles de fournir des renseignements sur la question, reproduit les exposés écrits qui ont été présentés par les États mais non les documents soumis, aux termes de l'article 65, paragraphe 2, du Statut, par le Secrétaire général de l'Organisation intergouvernementale consultative de la Navigation maritime, documents dont seule la liste est donnée. Il ne reproduit pas non plus certains des documents annexés aux exposés écrits des États, tels par exemple que les *Documents of the United Maritime Consultative Council*, Washington 1946, le *Lloyds Register of Shipping, Statistical tables 1948 & 1950* (annexes I, II et III à l'exposé des États-Unis d'Amérique), la loi fédérale sur la navigation maritime sous pavillon suisse du 23 septembre 1953 (annexe à l'exposé de la Confédération suisse). Ces documents sont déposés au Greffe de la Cour; les représentants des États qui se rendront à La Haye pour assister aux audiences pourront les consulter s'ils le désirent.

Veuillez agréer, etc.

As a rule, every speaker receives a transcript of the proceedings on the day of the hearings at which he has addressed the Court.

If you intend to avail yourself of the opportunity of correcting your speeches, I should be very grateful if you would send your corrections to the Registry (Office of the Registrar) on the day following that on which you receive the transcript, i.e. on the day following the hearing at which you have addressed the Court. In this way it will be possible to take into account your corrections when preparing the provisional printed version of the transcripts which are intended to facilitate the work of the Court, and which, in the interests of the latter, must be published without delay.

68. THE DEPUTY-REGISTRAR TO THE PERMANENT SECRETARY OF THE MINISTRY FOR FOREIGN AFFAIRS OF GHANA

21 May 1960.

Sir,

I have the honour to acknowledge receipt of your letter of 9 May 1960 in which you enquire whether a definite date has now been fixed for the holding of the oral proceedings before the Court in the matter of the constitution of the Maritime Safety Committee.

In reply I may inform you that hearings began on 26 April 1960, i.e. a few days after the date which was notified to you in my letter of 28 December 1959.

It is recalled that on 19 March 1960 you intimated that your Government was considering the possibility of sending an observer to the Court, and that a further communication would be addressed to us if a decision to this effect was taken in the near future. Not having received any further indication in this connection, it was considered that your Government had decided not to do so; there was accordingly no reason for us to inform you of the exact date of the hearings, which was notified only to those Governments who had signified their intention to address the Court.

69. THE REPRESENTATIVE OF THE GOVERNMENT OF THE UNITED STATES OF AMERICA TO THE REGISTRAR

25 May 1960.

Sir,

I refer to the question presented on May 2, 1960, by Judge Córdova to the Representatives of the Governments participating in the public hearings of the advisory case, "Constitution of the Maritime Safety Committee". At that time, Judge Córdova put the following question:

"Would it be possible for the Representatives of the Governments appearing before the Court in this case to present to the Court, at their convenience, reliable information, as well as their points of view, with regard to the tonnage owned by nationals of both Liberia and Panama respectively at the date of the election of the Maritime Safety Committee, January 15, 1959?"

It will be recalled that, at the public hearing of May 4, 1960, as Representative of the United States of America, I reiterated the United States point of view, with respect to Judge Córdova's question, that tests based on ownership by nationals would be impracticable and unworkable; and that I also stated that I did not at that time have any information with regard to the tonnage owned by nationals of Liberia and Panama respectively at the date of the election of the Maritime Safety Committee, January 15, 1959, and that I had communicated with my Government to ascertain whether it had any reliable information of that character which could be presented to the Court as requested.

I wish to advise you that I have now made inquiries of the appropriate agencies of the United States Government, and that I am not able to furnish the Court with reliable information with regard to the tonnage owned by nationals of Liberia and Panama respectively at the date of the election of the Maritime Safety Committee, January 15, 1959.

Very truly yours,

(Signed) Eric H. HAGER.
